Honey Dip

Immature

[Chorus]
Be my honey dip
Be my honey dip
Be my honey dip
Be mine
Be my honey dip
Be my honey dip
Be my honey dip
Be mine

[Romeo talking over chorus]
Another funk-one from Immature
This goes out to all why'all honey dips out there
Hmm, hmm, hmm
Kick it Marq

[Batman]
Will you spend, sometime with me
You are the girl of my fantasy (Fantasy)
Will you do what I ask you
All I want to do is, be with you

[Chorus]

[Batman]
Will you hottie be with me (Be with me)
Can I dip into you honey (Honey)
Your body's where, I wanted to be
You were gonna be my, honey dip

Ooh, with your sexy body
The way you hold me
You're to send tingles down my back
Will you be mine

[Chorus x2]

Batman: Yo Romeo, kick it
Honey dip, honey dip, seen a honey dip, dip (2x as background)
Romeo: Move over down the block

Shorty's on my dock
Saw a honey dip
Now surely had to get
Batman: Ooh, take a trip with me
Skip candy love, honey dip with me
Romeo: I got you just built like Monopoly
Batman: Collect call you want
And just be with me
Romeo: Oh yeah
Batman: Boo-yah, the onion's kinda phat

[Batman]
Ooh, with your sexy body
The way you hold me
You send chills down my back
Will you be mine

[Chorus repeats]
