Piranha

ì²œìƒ•ì§€í•¬ The Grace

Slicing Jaws A Way Of Life
Brought Up To Waste Mankind
Deadly Every Time
Loki's Pets His Little Children
Trapped In Swamps By Gates Of Hell
Don't Ever: Let Them Out
For If You Do And They Escape
You'll Fight A Bloody Bout
Piranha Start To Attack - You'll Done
If You Think You Can Live - You're A Fool
Piranha Kill In A Pack - You'll Run
They Tumble And They Fall

If You Think You Can Beat - Deadly School
Gates Of Hell Are Old And Cracked
Out Rush A Bloody Wall Of Death
To Kill Anything At All
Their Sole Mission Is T0 Kill
Strip Your Bones And Flesh
An Agonizing Death
Rip Out Your Eyes Tear Off Your Face
If You Think You Can Beat - Deadly School
Piranha Kill In A Pack - You'll Run
Piranha Start To Attack - You're Done
If You Think You Can Live - You're A Fool
