

# Ain't Going (Hidden Track)

## DAY26

(Aundrea)

Ooo yea yea here we go  
I know we got everybody waiting  
To see just how we do  
I'm telling u we going hard  
Mix it up with some old school and a little new

(Aubrey)

We'll make u jump right outta your seat  
Make u loose your mind when u feel that beat  
It's just because  
We ain't goin no where going no where oh

(Day26 +Danity Kane)

OOO this ain't nothing like u heard before  
We gonna have u want it more  
Like it is when u wit your girl and ladies wit your man  
This is our chance to make you move  
OO we'll be right there right there

(Que)

I know feel that(beat)  
And it's making you wanna stop

(Mike)

U might as well loose urself let it go  
Cuz we just gonna keep giving u what u want

(Robert)

See this is not a game  
Turn the music up and let it play  
And we ain't going no where going no where

(ALL 2x)

OOO this ain't nothing like u heard before  
We gonna have u want it more  
Like it is when you with your girl and ladies with your man  
This is our chance to make u move  
We'll be right there right there

(All)

Hold up we bout to make this official  
Put ur drinks in the air and take it straight to the dance floor  
Loose urself and let the music control who u are  
You owe urself to let go  
We got everything u need and what u looking for  
You don't have to look no more

(All)

OOO this ain't nothing like u heard before  
We gonna have u want it more  
Like it is when u wit your girl and ladies wit your man  
This is our chance to make u move  
We'll be right there(right there) right there(right there)
