

# Didn't It Rain

Hugh Laurie

Well didn't it rain, rain, rain children  
Rain on my Lord

Didn't it (yes)  
Didn't it (you know it did)  
Didn't it  
Oh oh my lord didn't it rain

Well it rained forty days  
It rained forty nights  
There was no land nowhere in sight  
God sent the raven, to bring the news  
He arched his wings and away he flew

I send the rain (I send)  
You know it rained (it rains)  
Oh how it rained (and in the west)  
Rain too long (and in the north)  
My, how it rained (and in the south)  
Rained all day (all day)  
Rained all night (all night)  
Rain, rain (all day)  
My, it rained (all night)  
Ooh, rain  
Rain, rain, rain, rain (rain)  
Rain rain rain rain rain rain rain

RAIN, RAIN, RAIN CHILDREN  
RAIN ON MY LORD

Didn't it (yes)  
Didn't it (you know it did)  
Didn't it

Oh oh my Lord didn't it rain

Well, didn't it, rain, rain children  
Rain on my Lord  
Didn't it (yes)  
Didn't it (you know it did)  
Didn't it

Oh oh my lord didn't it rain

(take it)

Well, it rained forty days, forty nights without stoppin'  
Noah was glad, when the water stopped droppin'  
When I get to heaven, sit right down  
Askin' Jesus for my starry crown

I know it rained (I'mma sing it)  
I'm tired of this rain (on the east)  
Been raining too long (in the west)  
It rained all day (to the north)  
All night long (in the south)  
Rain, rain go away (all day)  
Come again some other day (all day)  
You know it rained (all night)  
Oh, how it rained (all day)  
God knows it rained (everywhere)  
Rain, rain, rain, rain, rain (rain, rain, rain, rain, rain)  
Rain, rain, rain, rain, rain, oh

RAIN, RAIN, RAIN CHILDREN  
RAIN ON MY LORD  
Didn't it (yes)  
Didn't it (you know it did)  
Didn't it

Oh oh my lord didn't it rain
