

So What!

Sanchia

Soy Fabulosa
Hermosa
Glamorosa
Gran Cosa

Soy fabulosa
Hermosa
Glamorosa
Gran Cosa

I'm so sick and tired of the things you say about me
Always thinking 'bout me, why can't you just let me be
Tryna find out info I don't really see the need
So just back up off me give me space so I can breath.

I don't think you need to know if I'm single or taken
I don't think you need to know if I like you (So What!)
I don't think you need to know what I'm doing or making
I don't think you need to know if I hate you (So What!)

Soy Fabulosa
Hermosa
Glamorosa
Gran Cosa

I don't care about you, what you do, or what you say
Cause it's all nonsense you don't know me anyway
So don't you try to lie when you don't even know the truth
Believe me when I tell you it will all come back to you

I don't think you need to know if I'm single or taken
I don't think you need to know if I like you (So What!)
I don't think you need to know what I'm doing or making
I don't think you need to know if I hate you (So What!)

Soy Fabulosa
Hermosa
Glamorosa
Gran Cosa

If you can't help it then you must need some therapy
so you can get a life and finally be rid of me
then you could understand and maybe you can see
that you're just a mess and that you are obsessed with me

I don't think you need to know if I'm single or taken
I don't think you need to know if I like you (So What!)

Soy Fabulosa
Hermosa
Glamorosa
Gran Cosa

I don't think you need to know if I'm single or taken
I don't think you need to know if I like you (So What!)
I don't think you need to know what I'm doing or making
I don't think you need to know if I hate you (So What!)

Soy Fabulosa
Hermosa
Glamorosa
Gran Cosa
(x4)

If you ever hated or were filled with jealousy then this song was made for you and you'll never be like me
