

Love Is Everything

Ariana Grande

It's time for us to all give something
(It's time for us to all give something)
All around the world this time of year
(All around the world this time of year)
As a matter of fact it won't cost you nothing
(As a matter of fact it won't cost you nothing)
It's in your heart you got it right there,
You got it right there The truth is,
Your heart is the biggest gift you can give anyone,
I know we can do it
'Cause when I look around, there's enough for everyone If you spend a little time,
Look deep inside, search your heart, and I'm sure you'll find
That the best gift you can give this Christmas All we need is love (give love love love love love)
Love is all we need (give love love love love love)
Love underneath the tree
Love is everything (love is everything) All we need is love (give love love love love love)
Love is all we need (give love love love love love)
Let your heart believe,
That love is everything (love is everything) (love is everything) Give it all 'cause it's the season
(Give it all 'cause it's the season)
Spread lots of joy and lots of cheer
(Lots of joy and lots of cheer)
If you need a cost, if you need a reason, ooh yeah
It's the gift that just won't disappear, won't disappear The truth is,
Your heart is the biggest gift you can give anyone,
I know we can do it 'cause when I look around,
There's enough for everyone If you spend a little time,
Look deep inside, search your heart, and I'm sure you'll find
That the best gift you can give this Christmas All we need is love (give love love love love love)
Love is all we need (give love love love love love)
Love underneath the tree
Love is everything (love is everything) All we need is love (give love love love love love)
Love is all we need (give love love love love love)
Let your heart believe,
That love is everything (love is everything) (love is everything) Love who you love,
No one can judge, follow your heart and don't give up,
'Cause that's what this day's about uh So grab 'em close and hold them in
And don't let go 'cause Christmas is here All we need is love (give love love love love love)
That love is all we need (give love love love love love)

Love underneath the tree
Love is everything (love is everything baby) Give love
Love is all we need (all we need)
Let your heart believe (believe)
Love is everything (love is everything baby) Give love
Love is all we need
Let your heart believe (believe)
Love is everything (love is everything ooh) All we need is love,
Love is all we need,
Let your heart believe (love is everything)
Love is everything (love is everything) All we need is love,
Love is all we need,
Love underneath the tree,
Love is everything (love is everything) All we need is love
Love is all we need
Let your heart believe
