# What It's All About

## Slum Village

First class
Full blast
Smash
Everything, women wiggle that ass
All my niggas analyze the color contrast
Live parallel, bound, shake control that ass
Hocus, pocus, focus
Smoke this watch Busta Rhymes the dopest
Hit y'all niggas with the bomb diagnosis
Slum Village hot shit and you know this
Now at dates we talk funny and floss money
Jiffy shot that whip down when the day's sunny
Busta Rhymes and Slum Village will make a pilgrimage
From Detroit all the way back to the Brooklyn Bridge
Black bats and axe the crime rhyme spit in my max
Spinning my wax
I'm feeling one time
Blow your mind, shine, blind all y'all at the same time
Regulate chickens I always come and take mine(Do it)

See the S been doin' this shit since way back
Say that, when it comes to rap
We got a knack for that
And for that we brag
Also we rap so this loot could stack
Grippin the phat Caddilac
With the diamond back
If you was to ask me where it's at
Said it's all about the cheese and these SV cats
On the real
The real Detroit rap
Player haters get the actual finesse it lacks
See, the words you speak can get you caught in a trap
Don't write your own raps, somebody else do that
