

Fairytale (let Me Live My Life This Way)

Rebecca Ferguson

Ok so I call about a thousand times
I wait outside and I join the line
With a million girls that are just like me.
I got your name saved on my screen
It says how much you love me
And I know that it's not a dream

CHORUS

It's like I keep on giving
With nothing in return
Just a constant burning
I'll never learn
But let me just fairytale that we are in love
I'd rather live my life this way

Its my life anyway
I close my eyes and you kiss me
Say how much that you miss me
And no one compares to what we've got
Then I wake up and it's just a dream
Somehow I wish it was reality
Trying to deal with the fact its not

CHORUS

I ain't ever gonna learn

CHORUS X2
