

I Left My Heart in San Francisco

[Andy Williams](#)

The loveliness of Paris seems somehow sadly gray
The glory that was Rome is of another day
I've been terribly alone and forgotten in Manhattan
I'm going home to my city by the Bay I left my heart in San Francisco
High on a hill, it calls to me
To be where little cable cars climb halfway to the stars
The morning fog may chill the air, I don't care My love waits there in San Francisco
Above the blue and windy sea
When I come home to you, San Francisco
Your golden sun will shine for me
