

Letter From Down the Road / And Other Things

Della Mae

I got a letter from my true love up in Baltimore

He said if I would be his love he'd never roam no moreI got a letter from down the road

I got a letter from down the roadHe took me to his parlor and he got down on one knee

I swear he's the prettiest thing that this girl ever did seeI got a letter from down the road

I got a letter from down the roadI wish I had a new made house on the new cut ground

I'd take my true love by the hand and with him I'd lay downI got a letter from down the road

I got a letter from down the roadI'm goin' up on the mountain and watch the sun rise high

I don't know if I'll ever come back I'll stay here 'til I dieI got a letter from down the road

I got a letter from down the road

I don't wanna go to heaven I don't wanna go below

Just wanna stay with my true love until the trumpet blows
