# Enough

## Keke Wyatt

Intuition said it was fair
All of you should know there's
Not enough to go around
Here they come again
I can watch
As they try they try to take it out
Here they come again I can
Watch closer now
I can watch closer now
They can't find enough
To take enough from me
They can't find enough
To take enough from me
I've seen the hordes, the hordes
I've seen the hordes, the hordes
Looking down that drain of yours
Cartoon blue jay
Cartoon black bay too
Cartoon blue jay
Cartoon black bay too
Intuition knocked again fair
All of you should know by now there's
Not enough to go around
But I never go that way
Other half of me says I should
Other half of me says I should
Other half of me says I should
