Newport Party

Capital Lights

South Cali, look out here I come
Pacific coastline drive Highway 1 to Orange County
Well party hard in the sun
Watching all the coast towns gather as one
Every citys got a reason and rhyme
Rivals never share their waves
Its not always easy putting differences aside
But when party fevers spreading this whole county gets togetherCause a Newport Partys not a real party til Laguna Beach bodies arrive
All the Riverside fellas lose their Cinderellas every night Orange Countys alive
Cause a Newport Partys not a real party til Laguna Beach bodies arrive
All the Riverside fellas lose their Cinderellas every night Orange Countys aliveEverybody has got their rainy days
But no ones getting bored in Califor-ni-a
Gonna volley up in Huntington Bay
The sand courts are calling and theyre calling my name
Summer season brings reason and rhyme
Everybodys sharing the waves
Its not always easy living up to the hype
But California O County, they know how to party!Cause a Newport Partys not a real party til Laguna Beach bodies arrive
All the Riverside fellas lose their Cinderellas every night Orange Countys alive
Cause a Newport Partys not a real party til Laguna Beach bodies arrive
All the Riverside fellas lose their Cinderellas every night Orange Countys aliveOk, somebody get me to the west coast
Newport Party, everybody in their dance clothes
Tell me if you need a Cinderelly, I can get those
I dont mean to boast but Im froze in my summer clothes
California cuties grab a camera, take a pose
Plenty of flowers but Im looking for the rarest rose
We all got love and it shows and everybody knows
There will be no stopping unless the OC light goes
Ok, you know Im back on the stage
With the fellas singing This is an Outrage
Girl, youre just a Mile Away
If you didnt see me flip the script, youre on the wrong page
Aye yo, Laguna Beach bodies in the atmosphere
Dance round til we shake the hemisphere
No need to fear, honey, its just Bayn

Capital Lights, Newport PartyCause a Newport Partys not a real party til Laguna Beach bodies arrive
All the Riverside fellas lose their Cinderellas every night Orange Countys alive
Cause a Newport Partys not a real party til Laguna Beach bodies arrive
All the Riverside fellas lose their Cinderellas every night Orange Countys alive
