Dream A Little Dream

Emilia Mitiku

Stars shining bright above you, night breezes seem to whisper, "I love you".
Birds singing in the sycamore tree, "Dream a little dream of me".
Say "nighty-night" and kiss me. Just hold me tight and tell me you'll missme.
While I'm alone and blue as can be, dream a little dream of me.
Stars fading, but I linger on, dear.
Still craving your kiss, I'm longing to linger till dawn, dear.
Just saying this: Sweet dreams till sunbeams find you.

Sweet dreams that leave all worries behind you.
But in your dreams whatever they be, dream a little dream of me.
Stars fading, but I linger on, dear.
Still craving your kiss, I'm longing to linger till dawn, dear.
Just saying this: Sweet dreams till sunbeams find you.
Sweet dreams that leave all worries behind you.
But in your dreams whatever they be, dream a little dream of me.
