

# Someday

## Miley Cyrus

Someday, someday, someday, oh  
Someday, someday, someday, oh  
Someday, someday, someday, oh  
Someday, someday, someday  
No, boy, don't call me feisty  
I worked too hard for this, oh, oh, oh  
No, boy, no, boy  
Can find me easy to resist  
But you, boy, you, boy  
I know somewhere you exist  
Yeah, I'm gonna find you someday, someday  
(Someday, someday, someday, someday)  
I ain't gonna find you in London or Rome  
Ain't gonna find you staying at home  
Ain't gonna find you on the dance floor  
Ain't gonna find you there for sure  
I'm gonna find you if I keep living someday  
(Someday, someday, someday, someday)  
Hey world are you listening?  
(Listening)  
I got so much to say  
I know it is a small world, small world  
But sometimes I can't find my way  
(My way)

And I know, I know, oh, it could happen any day  
Just around the corner  
(Just around the corner)  
I'm gonna find you someday  
(Someday, someday, someday, someday)  
I ain't gonna find you in London or Rome  
Ain't gonna find you staying at home  
Ain't gonna find you on the dance floor  
Ain't gonna find you there for sure  
I'm gonna find you if I keep living someday  
(Someday, someday, someday, someday)  
Oh, oh, I'm gonna find you, I'm gonna find you  
(Someday, someday, someday, someday)  
I ain't gonna find you London or Rome

Ain't gonna find you staying at home  
Ain't gonna find you on the dance floor  
Ain't gonna find you there for sure  
I'm gonna find you if I keep living someday  
(someday, someday, someday, someday)  
I know I'm gonna find you someday  
I'm gonna find you someday  
(Someday, someday, someday, someday)
