## No More

## 3LW

I'm getting a little tired
Of your broken promises, promises
Lookin' at your pager
Seein' different numbers, numbersCall you on your cell
You're hangin' with the fellas, fellas
Hangin' with my girls
You always gettin' jealous, jealousI was with you when
You didn't have no dollas, no dollas
Hangin' at the crib

Chillin' with your momma, your mommaNever fronted you

Never brought the drama, the drama
Now you flip the script
Playa, pleaseNo, I'm not the one
(Say it again, say it again, oh)
No, I'm not the one
(You do or you don't)[Chorus]
You do or you don't, don't

You will or you won't, won't

No more

No more, baby I'm a do rightYou can or you can't, can't Be a man, be a man, man

No more

No more, baby I'm a do rightYou treat me like a lady When you open doors, doors But then you want to front

When you're with your boys, your boysHow you gonna play me
When I bought your clothes, your clothes

The ones that you be wearin'

When you with your hoes, your hoesI know you never thought
That I would have the nerve, the nerve

Think about it more

Since you at the curb, the curbBlowin' up my pager

Say you want a chance, a chance

Listen when I say

Playa, please[Chorus][Repeat: x2]

No, I'm not the one

(Baby, I'm a do right, do right)

No, I'm not the one

(Baby, I'm a do right, do right)I just want to know

What happened to our love

We used to be best friends

Where did it go wrongWhen you gonna see

How good it is with me

I'm tired and I'm through

With all your "listen baby" [Rap]

Listen what, playa chill now

Tell me how you gon' cite me when I found out

Honey gotta break it down, down

I said it ain't no thingGirl, what's my name?

Keelay, Keelay

Look me in the face and tell me

What the dealie, dealieOh, you want to go shade now

But I'm paid now, I know that you hate that

Oh, you got the one now, you warm now

'Cause you thought you'd come right back, save that You could do whatever to me, and be together with me

Like you do better than me (you do or you don't)

No more, never for me[Chorus][Repeat: x2]

No, I'm not the one

(Baby, I'm a do right, do right)

No, I'm not the one

(Baby, I'm a do right, do right)No, I'm not the one

(Say it again, s-say it, say it again)

No, I'm not the one

(Say it again, s-say it, say it again)No, I'm not the one

(I could do bad all by myself)

No, I'm not the one

(I'm not the one, the one)[Repeat Chorus]
