The Buzz Feeling

Ub40

Well, the man like General Slinger
Say live the life you love and love the life you live
'Cause what is in my heart is design to give
But special request is to all back stabber
Should be stuck in asieve when I and I smoke senisman
Give thanks and praise to the full causes whot
The buzz feeling, Lord
Well, have you ever had the buzz feeling my sisthren?
Have you ever had the buzz feeling my brethren?
Have you ever had the buzz feeling, you take out you rizla?
You start rolling seh three or five sheet me
Seh what you deeling with, you take piece of cigarette
Start breaching open up you giangi bag you start sprinkling
You stick out you tongue and you start fe licking
You lean against a speaker box, take you matches lighting
Seh man have you ever had the buzz feeling
The buzz feeling, Lord
Well, have you ever had the buzz feeling my sisthren?
Have you ever had the buzz feeling my brethren?
When your head is spinning, you knees wobbling, you belly rolling
And your eyes shutting fe you head would of blow off
Like a car engine most people in the dance dem start laughing
Some of them cannot explain mysterious feeling so you sit on de stair
Gaze pon de ceiling, you hand pon you belly
You start fe rubbing a little after that you a little vomiting
So you run down the stairs like a streak of lightening you move
Through the crowd like you hustling you brethen
Shout you start reasoning about thing and time and the flat

Him move in the operatir, play a tune them start bubbling
It make it even harder fe you passing as you reach out side start
Slow breathing you sit pon de wall and start thinking never again
Would I get that feeling dread
The buzz feeling, Lord
Well, have you ever had the buzz feeling my sisthren?
Have you ever had the buzz feeling my brethren?
Well, you head stop spinning, you knees stop wobbling
You belly stop roll, start crave fe dumpling
The buzz feeling, Lord

Well, have you ever had the buzz feeling my sisthren?
Have you ever had the buzz feeling my brethren?
You I dren shout you roll up a splif
Me I dren temptation it is graet but
Remember that funny feeling
The buzz feeling, Lord
Well, have you ever had the buzz feeling my sisthren?
Have you ever had the buzz feeling my brethren?
But wen me seh you shouldn't rump with the general
Shouldn't rump with the general
Me seh don't rump with general
Don't play with the general, don't fool with the general
Don't walk with the general, don't talk with the general
Don't eat eith the general
The buzz feeling, Lord
Well, have you ever had the buzz feeling my sisthren?
Have you ever had the buzz feeling my brethren?
