

# Trouble Don't Rhyme

**Oren Lavie**

If you only had been physical  
but you're cynical  
and you won't let as much  
as a touch be a touch  
If you only had been lyrical  
but you're logical  
and it's making us sore  
when you talk metaphor  
'Cause trouble don't rhyme  
Trouble don't rhyme  
Well, they do sometimes  
They do sometimes  
If you only had been curious  
Not so serious  
But your grammar is right  
and your structure is strong  
nothing belongs  
'Cause trouble don't rhyme  
Trouble don't rhyme  
Well, they do sometimes  
They do sometimes  
If you only had been physical  
but you're cynical
