

Fools Fall in Love

Jenn Gambatese

Fools fallin' in love in a hurry
Fools give their hearts much too soon
 Just put in two bars of stardust
 Just hang out one silly moon
Oh, they've got their love, torches burning
 When they should be playing it cool
I used to laugh but now I'm the same
 Take a look at a brand new fool
Fools fall in love just like schoolgirls
 Blinded by rose colored dreams
 They build their castles on wishes
 With only rainbows for beams
Oh, they're making plans for the future
When they should be right back in school
 I used to laugh but now I'm the same
 Take a look at a brand new fool, all right
They've got their love torches burning
 When they should be playing it cool
I used to laugh but now I'm the same
 Take a look at a brand new fool
 Take a look at a brand new fool
