

# Half As Much

[Kyle Riabko](#)

There's no better man for you  
And you'd understand it to  
If you loved me  
Half as much as I love you The beautiful smile on your face  
Would never fade away  
If you loved me  
Half as much as I love you Well, the sun it would be shinin'  
'Cause the rain would do the cryin'  
There'd be nothin' to worry your precious mind Yeah the lions would be tame  
And the birds would sing your name  
And it wouldn't be hard to understand why? You would be walkin' so proud  
Find yourself laughin' out loud  
If you loved me  
Half as much as I love you, baby Well, the angels up above  
Would be jealous of our love  
They'd be watchin' with envy as you walk by Well the lions would be tame  
And the birds would sing your name  
And it wouldn't be hard to understand why? You would be warm at night  
Forever by my side  
If you loved me  
Half as much as I love you
