Twist Of Cain

Danzig

Yeah, yeah
Yeah
Ooh, I can feel it move me
Feel it shove me
As I break the law
Said yeah, I can feel it's jabbing
Cuts the numbness then I
I come alive, yeah
Twist of Cain
Yeah drives my brain
Yeah twist of Cain
Make me come alive 'cause it does
Yeah twist of Cain
Yeah drives my brain
Yeah twist of Cain
Make me come alive
Said yeah
I took it standing
Broke commandments and he tumbled like a toy
Blood
Like a crimson highway
Spreading out from his forehead to the ground, yeah
Twist of Cain
Yeah drives my brain
Yeah twist of Cain
Make me come alive 'cause it does
Yeah twist of Cain
Yeah drives my brain
Yeah twist of Cain
Make me come alive
Whoa, yeah
Whoa, God above
Feel a twist of Cain

Inside a beating heart, well
Whoa, wanna know
Got a little twist of Cain
From a God below, yeah
Yeah, I know my breeding

Know my father
He was born of light
Said yeah, can't hardly stand it
Cuts me down the middle then I
I come alive, yeah
Twist of Cain
Yeah drives my brain
Yeah twist of Cain
Make me come alive 'cause it does
Yeah twist of Cain
Yeah drives my brain
Yeah twist of Cain
Make me come alive
Come alive
Whoa, yeah
Whoa, God above
Feel a twist of Cain
Inside your beating heart, yeah
Whoa, wanna know
Got a little twist of Cain
From a God below, yeah
Whoa, whoa
Feel a twist of Cain
Inside a beating heart, yeah
Whoa, whoa
Got a little twist of Cain
From a God below, yeah
