Psykosonik

Digital disbeliever
I can show you what you want to see
Digital disbeliever
Won't you open up your eyes to me?Well, I can make a brand new reality
That's the power in your soul and believe in meSay your prayers, say your prayers
I'm your silicon Jesus
Down here and everywhere
I'm the silicon JesusI'll give you new duality, yeah
Anything that you wanna be, yeah
I'm your siliconDigital disbeliever
There's a storm in the world tonight
Digital disbeliever
Now it's time for you to come insideWell, you can find the power it's behind your eyes
That's the challenge to your skull and it's a paradiseSay your prayers, say your prayers
I'm your silicon Jesus
Down here and everywhere
I'm the silicon JesusI'll take you to eternity, anywhere you wanna be
You'll find your own reality, yeah
You'll find yourself in me
I'm your siliconBreak the screen, it is my body
Drink this wine, it is my blood
You sex machine that takes you past
The veil of mortal brotherhoodIllusion, disillusion
You will find your absolution
Within silicon
In silicon, you maySay your prayers, say your prayers
I'm your silicon Jesus
Down here and everywhere
I'm the silicon JesusI'll take you to eternity, absolute infinity
Anything that you wanna be, I am immortalityI'll take you to eternity, anywhere you wanna be
You'll find your own reality and you'll find yourself in meI'm your silicon
