

# Youth of the Nation (Dave Scorp Remix)

## P.O.D.

Last day of the rest of my life  
I wish I would've known  
'Cause I would've kissed my mama goodbye I didn't tell her that I loved her and how much I care  
Or thank my pops for all the talks  
And all the wisdom he shared Unaware, I just did what I always do  
Everyday, the same routine  
Before I skate off to school But who knew that this day wasn't like the rest  
Instead of taking a test  
I took two to the chest Call me blind, but I didn't see it coming  
Everybody was running  
But I couldn't hear nothing Except gun blasts, it happened so fast  
I didn't really know this kid  
He wasn't part of the class Maybe this kid was reaching out for love  
Or maybe for a moment  
He forgot who he was  
Or maybe this kid just wanted to be hugged  
Whatever it was  
I know it's because We are, We are, the youth of the nation Little Suzy, she was only twelve  
She was given the world  
With every chance to excel Hang with the boys and hear the stories they tell  
She might act kind of proud  
But no respect for herself She finds love in all the wrong places  
The same situations  
Just different faces Changed up her pace since her daddy left her  
Too bad he never told her  
She deserved much better Johnny boy always played the fool  
He broke all the rules  
So you would think he was cool He was never really one of the guys  
No matter how hard he tried  
Often thought of suicide It's kind of hard when you ain't got no friends  
He put his life to an end  
They might remember him then You cross the line and there's no turning back  
Told the world how he felt  
With the sound of a gat We are, We are, the youth of the nation Who's to blame for the lives that tragedies claim  
No matter what you say  
It don't take away the pain That I feel inside, I'm tired of all the lies  
Don't nobody know why  
It's the blind leading the blind I guess that's the way the story goes  
Will it ever make sense

Somebody's got to know There's got to be more to life than this  
There's got to be more to everything  
I thought exists We are, We are, the youth of the nation
