My Sweet Lady

Mr Cool

Lady, are you crying, do the tears belong to me?
Did you think our time together was all gone?
Lady, you've been dreaming, I'm as close as I can be
And I swear to you our time has just begunClose your eyes and rest your weary mind
I promise I will stay right here beside you
Today our lives were joined, became entwined
I wish that you could know how much I love youLady, are you happy, do you feel the way I do?
Are there meanings that you've never seen before?
Lady, my sweet lady, I just can't believe it's true
And it's like I've never, ever loved beforeClose your eyes and rest your weary mind
I promise I will stay right here beside you
Today our lives were joined, became entwined
I wish that you could know how much I love youLady, are you crying, do the tears belong to me?
Did you think our time together was all gone?
Lady, my sweet lady, I'm as close as I can be
And I swear to you, our time has just begun
