Black at the Center

What was the question
I've been lost in flames too long
Would I still love you
even with the flower goneRepeat the question
as I crawl into the sun
I know I love you
It's the worst thing I've doneWell I've been chasing flames
that repeat my name
though about (?) pain, I can't deny it
If you want the truth, yes I still love you
it's the worst thing I, I could ever do
But I'm helpless
and I'm freezing
and you're teasing me
by tearing down the sun
over and over
ohAll this feeling will remain
It'll be forever
Only if we part
can you keep my heart
All this feeling to remain
just tell me never
And the saddest part
is that you keep my heart from me(from me)
All this feeling will remain
will be forever
Only if we part
can you take my heart
All this feeling to remain
just tell me never
And the saddest part is
is that you keep my heart from mefrom meWill you hold my heart from me
