Night Fever

Various Artists

Listen to the ground
there is movement all around
There is something goin' down
and I can feel it
On the waves of the air
there is dancin' out there
If it's somethin' we can share
we can steal it
And that sweet city woman
She moves through the light
Controlling my mind and my soul
When you reach out for me
Yeah, and the feelin' is bright
Then I get night fever
night fever
We know how to do it
Gimme that night fever
night fever
We know how to show it
Here I am
Prayin' for this moment to last
Livin' on the music so fine
Borne on the wind
Makin' it mine
Night fever, night fever
We know how to do it
Gimme that night fever
night fever
We know how to show it
In the heat of our love
Don't need no help
for us to make it
Gimme just enough to take
us to the mornin'.
I got fire in my mind.
I got higher in my walkin'.
And I'm glowin' in the dark
I give you warnin'
And that sweet city woman

She moves through the light
Controlling my mind and my soul
When you reach out for me
Yeah, and the feelin' is bright
Then I get night fever
night fever
We know how to do it
Gimme that night fever
night fever
We know how to show it
Here I am
Prayin' for this moment to last
Livin' on the music so fine
Borne on the wind
Makin' it mine
Night fever, night fever
We know how to do it
Night fever, night fever
We know how to show it
Night fever, night fever
We know how to show it
