The Fault in Our Stars (MMXIV)

Troye Sivan

The weight
Of a simple human emotion
Weighs me down
More than the tank ever didThe pain
It's determined and demanding
To ache, but I'm okay...And I don't want to let this go
I don't want to lose control
I just want to see the stars with youAnd I don't want to say goodbye
Someone tell me why
I just want to see the stars with youYou lost, a part of your existence
In the war, against yourself
Oh, the lights,
They light up in lights of sadness
Telling you, it's time to goAnd I don't want to let this go
I don't want to lose control
I just want to see the stars with youAnd I don't want to say goodbye
Someone tell me why
I just want to see the stars with youDon't give it up just yet stay grand
For one more minute, don't give it up just yet
Stay grandDon't give it up just yet stay grand
For one more minute, don't give it up just yet
Stay grand
Don't give it up just yet stay grand
For one more minute, don't give it up just yet
Stay grand(I don't want to let) And I don't want to let this go
(I don't want to lose) I don't want to lose control
(And I just want to see) I just want to see the stars (the stars with you) with youAnd I don't want to say (don't want to say) goodbye
Someone tell me why (tell me why)
I just want to see the stars (the stars with you) with youWith you
