

Help Me Out

The Rocket Summer

Help me out, help me out, help me out
I'm falling all over again Help me out, help me out, help me out
I'm falling again for the millionth Say you will, say you will,
say you will show me how to get out of all this Help me out, help me out, help me out
I'm falling again for the millionth Stare at a word so much that it makes no sense
Much like your life
What on earth is happening? Rays come down and cover me One day everything will be ok
Don't give up now
