

Last of Days

A Fine Frenzy

Something's causing fear to fly
Rising like a dark night in silence
Traveling slow with broken boats
Heading for the sky and I'm an island I watched you disappear into the clouds
Swept away into another town The world carries on without you
But nothing remains the same
I'll be lost without you
Until the last of days The sun is in the east
Rising for the beasts and the beauties
I wish that I could tear it down
Plant it in the ground to warm your face And I built myself a castle on the beach
Watching as it slid into the sea The world carries on without you
But nothing remains the same
I'll be lost without you
Until the last of days
Until the last of days Through the walls and harvest moons
I will fight for you The world carries on without you
But nothing remains the same
I'll be lost without you
Until the last of days
Until the last of days
