

# Quiet Night

[Emil Bulls](#)

Advisory - the following lyrics contain explicit language:

Please let me sleep right  
Now just for tonight  
It's cold but I sweat  
I can't escape the  
Last day I'm wasting away  
All thoughts are full of dismay  
Oh.. please switch off the light  
Cause I wanna sleep quiet and deep  
I wanna keep  
(all this shit)  
out of my bed  
I wanna conclude right now  
Ohhoohhoow..  
I'm ready to retire  
I've had enough now  
I'm sick and tired of all I love  
Tired of sex  
Tired of alcohol  
My best friends seem so strange  
I've got to get myself rearranged  
Last day won't let go again
