The Rain

Yusuf Islam

Everybody's thinking about the rain
Everybody's thinking about the rain
Wonder if the sun is gonna come again, things are looking bad
Everybody in the world, in the world's looking so sadEverybody's thinking about the storm
Everybody's thinking about the storm
Wonder where all the good weather's gone, things are looking bad
Everybody in the world, in the world's looking so sadTell me if I gotta build a boat to carry us to sea
Tell me what the shape of it will be
Tell me if it's gonna be a home for every kind of beast
Tell me who the lucky ones will beTell me if you gotta build a world what that world would be
If we're gonna build it well enough for thee
Tell me if it's gonna be a home for all humanity
Will it be believers with me?Everybody's thinking about the flood
Everybody's thinking about the flood
Wonder if the water's gonna turn to blood, things are looking bad
Everybody in the world, in the world's looking so sadEverybody's thinking about the rain
Everybody's thinking about the rain
