

# Landfill (Sizzle Bird Remix) Free

## Daughter

Throw me in a landfill  
Don't think about the consequences  
Throw me in the dirt pit  
Don't think about the choices that you make  
Throw me in the water  
Don't think about the splash I will create  
Leave me at the altar  
Knowing all the things you just escaped Push me out to sea  
On a little boat that you made  
Out of the evergreen that you helped your father cut away  
Leave me on the tracks  
To wait until the morning train arrives  
Don't you dare look back  
Walk away  
Catch up with the sunrise 'Cause this is torturous electricity  
Between both of us and this is  
Dangerous 'cause I want you so much  
But I hate your guts  
I hate you So leave me in the cold  
Wait until the snow covers me up  
So I cannot move  
So I'm just embedded in the frost  
Then leave me in the rain  
Wait until my clothes cling to my frame  
Wipe away your tear stains  
Thought you said you didn't feel pain
