

# Echoes Of Silence

## The Weeknd

Verse 1:

Talk to me baby  
Tell me what you're feeling  
You say you don't need to go  
Don't you pretend you didn't know  
how all of this would end up  
Girl I saw it in your eyes  
And baby I can read your mind  
And expectations were not in sight  
You knew that talking dirty to me on the phone would get me here  
Cause we both wanted to do this but I could tell that you were scared

Cause you thought there was more to us but you knew how this would end  
It's gonna end how you expected girl you're such a masochist and I ask why

And you reply... I like the thrill  
Nothing's gonna make me feel this real  
So baby don't go home  
I don't wanna spend tonight alone  
Baby please  
Would you end your night with me  
Don't you leave me all behind  
Don't you leave my little life [2x]  
(No no no no no)[6x]
