Drowned

Pete Townshend

There are men high up there fishing
They ain't seen quite enough of the world
I ain't seen a sign of my hero
I'm still diving down for pearlsLet me flow into the ocean
Let me get back to the sea
Let me be stormy and let me be calm
Let the tide in, I want it to rush over meI'm flowing under bridges
Flying through the sky
Traveling down cold metal
I'm just a tear in a baby's eyeLet me flow into the ocean
Let me get back to the sea
Let me be stormy, let me be calm
Let the tide in, I want it to rush over meI wanna drownI am not the actor
This can't be the scene
But I am in the water
As far as I can seeYou know, I wanna drown
In your sweet, sweet love
I wanna drown
In your sweet, sweet loveI wanna drown
In your sweet, sweet love
I wanna drown
In your sweet, sweet loveI wanna drown
In your sweet, sweet love
I wanna drown
In your sweet, sweet loveI wanna drown
In your sweet, sweet love
Drown
In your sweet, sweet loveI wanna drown
In your sweet, sweet love
Drown
In your sweet, sweet loveDrown in, drown in
Drown in, drown in
Drown in, drown in
DrownI'm remembering distant memories
Recalling other names
I'm rippling over the canyons
And I'm boiling in the trainLet me flow into the ocean
Why don't you let me get back to the sea?
Let me be stormy and let me be calm

Let the tide in, I want it to rush over meI wanna drown, I wanna drownI wanna drown
In your sweet, sweet love
I wanna drown
In your sweet, sweet loveI wanna drown
In your sweet, sweet love
I wanna drown
In your sweet, sweet loveI wanna drown
In your sweet, sweet love
I wanna drown
In your sweet, sweet loveI wanna drown
In your sweet, sweet love
I wanna drown
In your sweet, sweet loveI wanna drown
In your sweet, sweet love
I wanna drown
In your sweet, sweet loveI wanna drown
In your sweet, sweet love
Drown
In your sweet, sweet loveI wanna drown
In your sweet, sweet loveOver mountain, over canyon, over [Incomprehensible]I wanna drown
In your sweet, sweet love
Drink your wine tonight
