

# Caroline

Alex Clare

Leave your back door open for me and I  
Put your keys in under the door on time  
Seems we've been waiting for a long time  
My delay surely will be a crime  
You know whether we can do anything  
I know that you can do everything  
You said that we should try many things  
Let's make an hour so we can do everything  
I can find a way to make you love me  
more than you do Caroline  
I don't want to waste my time unless I'm loving you  
My dear Caroline, Caroline, Caroline We had each other for too short a while  
You caught my soul with your gentle smile  
I can swim in your eyes so deep  
Rest my lips upon yours so sweet  
You know just how I feel for you  
I know that my love is true  
I'ma tired, I've been feelin' blue  
Just let me do what I want to do  
I can find a way to make you love me  
more than you do Caroline  
I don't want to waste my time unless I'm loving you  
My dear Caroline, Caroline....Caroline I've tried all I can  
There's no getting through  
Hope you get all you deserve  
and some happiness too  
I'm sure there's a better man  
Somewhere waiting for you  
But if he doesn't come along  
You know I'll be waiting here for you  
I can find a way to make you love me  
more than you do Caroline  
I don't want to waste my time unless I'm loving you  
My dear Caroline I can find a way to make you love me  
more than you do Caroline  
No I don't I don't wanna waste my time  
unless I'm loving you  
My dear Caroline, Caroline, Caroline, Caroline  
No oh Caroline
