All That Matters (the Beautiful Life)

Ke$ha

Hey! Ah-ha,
Hey! Yah-ha,
Hey! Itâ€™s Ke$ha!
Letâ€™s do it.

The lights are off,
Itâ€™s time to play.
Got work to do,
But that can wait.

I wanna let go,
Let everyone know,
That fuck it,
I donâ€™t care.

Been spending too,
Much energy,
On stupid shit,
When honestly.

I wanna get high,
Just wanna get high,
With everyone else here.

Baby, all that matters,
Is the beautiful life,
Yeah, is the beautiful life,
Yeah, is the beautiful life.

Baby, all that matters,
Is the beautiful life,
Yeah, is the beautiful life,
Yeah, is the beautiful life.

Baby, all that matters,
Is the beautiful life,
Yeah, is the beautiful life,
Yeah, is the beautiful life.

Baby, all that matters,

Is the beautiful life,
Yeah, is the beautiful life,
Yeah, is the beautiful life.

Weâ€™re made in stars,
Weâ€™re up in space.
Now in the dark,
Come kiss my face.

Weâ€™re swimming in gold,
Weâ€™re swimming in gold,
Like fuck it,
We donâ€™t care.

Yeah, this just got sick,
Before my eyes,
Weâ€™ll stay up here,
Till the end of time.

I feel so alive,
Iâ€™m losing my mind,
Like everyone else here.

Baby, all that matters,
Is the beautiful life,
Yeah, is the beautiful life,
(Oh-oh woah-oh-oh), yeah,
Is the beautiful life.

Baby, all that matters,
Is the beautiful life,
Yeah, is the beautiful life,
(Oh yeah), yeah,
Is the beautiful life.

Baby, all that matters,
Is the beautiful life,
Yeah, is the beautiful life,
Yeah, is the beautiful life.

Baby, all that matters,
Is the beautiful life,
Yeah, is the beautiful life,
Yeah, is the beautiful life.

Yeah, uh, itâ€™s raining down,

Been up all night,
Thereâ€™s no excuses,
We kiss the sky.

Donâ€™t wanna come down,
Donâ€™t wanna come down,
Is anyone out there?
Baby, all that matters.

Put your motherfuckin' phones up
Light â€˜em up, oh yeah.
Put your motherfuckin' phones up
Light â€˜em up.

Baby, all that matters,
Is the beautiful life,
Yeah, is the beautiful life,
(Oh-oh woah-oh-oh), yeah,
Is the beautiful life.

Baby, all that matters,
Is the beautiful life,
Yeah, is the beautiful life,
(Oh-oh-oh), yeah,
Is the beautiful life.

(Yeah), baby, all that matters,
Is the beautiful life,
Yeah, is the beautiful life,
Yeah, is the beautiful life.

Baby, all that matters,
Is the beautiful life,
Yeah, is the beautiful life,
Yeah, is the beautiful life.

Baby, all that matters.
