

Stand up for Me

Storm Large

Stand up for me, and we'll stand together.

I'm the sky above you, and I love you, every one. Stand up for me, for your great grandmother,
for your father, brother, and each other, and everyone. Be the light. Be the answer.

Be the music in the dark. Stand up for me, and I'll stand beside you.

I'm the light that guides you from inside you and everyone. Be the way, and be the laughter. Be the reason for
the sun to rise. Stand up for me, and I'll stand beside you.

I'm the light that guides you from inside you and everyone and every one.
