## Joss Stone

Has love intentionally showed me that  
He or she hides in a the melody?  
We say it's hard to find  
You know that love divine we're all talking about  
Well, I been wasting all of my time  
'Cause music is my Mr. Right  
And I know this love will love me right Confused my mind with ease  
It's taken over me happily, happily, baby  
Happily play for me, happily play for me  
Happily, baby, happily, play for me  
Play for me, Charlie; play for me, baby  
Happily  
Happily, happily  
Happily, baby
