

Realize

Colbie Caillat

Take time to realize
That your warmth is crashing down on me
Take time to realize that I am on your side
Didn't I, didn't I tell you But I can't spell it out for you
No, it's never gonna be that simple
No, I can't spell it out for you If you just realize what I just realized
Then we'd be perfect for each other and we'll never find another
Just realize what I just realized
We'd never have to wonder if we missed out on each other now Take time to realize, oh, oh, I'm on your side
Didn't I, didn't I tell you
Take time to realize, This all can pass you by...
didn't I tell you. But I can't spell it out for you
No, it's never gonna be that simple
No, I can't spell it out for you If you just realize what I just realized
Then we'd be perfect for each other and we'll never find another
Just realize what I just realized
We'd never have to wonder if we missed out on each other It's not all the same, no, it's never the same
If you don't feel it too, if you meet me half way
If you would meet me half way
It could be the same for you If you just realize what I just realized
Then we'd be perfect for each other and we'll never find another
Just realize what I just realized
We'd never have to wonder
When we missed out on each other now. If you just realize what I just realized
Then we'd be perfect for each other and we'll never find another
Just realize what I just realized
We'd never have to wonder
When we missed out on each other now. Missed out on each other now
Missed out on each other now, yeah
Realize, realize, realize, realize, oh
