

# The Sidewinder Sleeps Tonite

R.E.M.

This here is the place where I will be staying  
There isn't a number, you can call the pay phone  
Let it ring a long, long, long, long time  
If I don't pick up, hang up, call back, let it ring some more  
If I don't pick up, pick up  
The sidewinder sleeps, sleeps, sleeps in a coil  
Call me when you try to wake her up, call me when you try to  
wake her  
Call me when you try to wake her up, call me when you try to wake her  
Call me when you try to wake her up, call me when you try to wake her  
There are scratches all around the coin  
slot  
Like a heartbeat, baby, tryin' to wake up  
But this machine can only swallow money  
You can't lay a patch by computer design  
It's just a lot of stupid, stupid signs  
Tell her  
Tell her she can kiss my ass then laugh and say  
That you were only kidding  
That way she'll know that  
It's really, really, really, really me, me  
Call me when you try to wake her up, call me when you try to wake her  
Call me when you try to wake her up, call me when you try to wake her  
Call me when you try to wake her up, call me when you try to wake her  
Baby, instant soup doesn't really grab me  
Today I need somethin' more sub-sub-sub-substantial  
A can of beans or black eyed peas, some nescafe and ice  
A candy bar, a fallin' star or a readin' of doctor Seuss  
Call me when you try to wake her up, call me when you  
try to wake her  
Call me when you try to wake her up, call me when you try to wake her  
Call me when you try to wake her up, call me when you try to wake her  
The cat in the hat came back, wrecked a  
lot of havoc on the way  
Always had a smile and a reason to pretend  
But their world has flat backgrounds and little need to sleep but to dream  
The sidewinder sleeps on his back  
Call me when you try to wake her up, call me when you try to wake her  
Call me when you try to wake her up, call me when you try to wake her  
I can always sleep standin' up, call me when you try to wake her  
Call me when you try to wake her up, call me  
when you try to wake her  
Call me when you try to wake her up, call me when you try to wake her  
I can always sleep standin' up, call me when you try to wake her  
Call me when you try to wake her up, call me  
when you try to wake her  
I can always sleep standin' up, call me when you try to wake her  
I can always sleep standin' up, call me when you try to wake her  
We've got to moogie, moogie, move on this one
