

Only When I Lose Myself

Depeche Mode

Did I?
Did I need to sell my soul
For pleasure like this?
Did I need to sell my soul?
Did I need to sell my soul?
Did I need to sell my soul?
Did I need to sell my soul
For pleasure like this?
Did I need to sell my soul
For pleasure like this?
To pleasure like this
Pleasure
I find myself
I live this myself
Something
Something
Something
I can feel the emptiness
I can feel the emptiness
I can feel the emptiness
I can feel the emptiness inside me fade and disappear
I can feel the emptiness inside me fade and disappear
