

# Shall We Begin

Brian McKnight

I remember the day when  
    We first met  
    We both got caught in  
        The rain  
And we were soaking wet  
    I looked in your eyes  
    You gave me a smile  
    You told me your name  
        You told me about  
            Your career  
I told you about my hopes  
    My dreams my fears  
    We had some laughs  
    One month has past  
Tonight can't you stay[Chorus]  
    Now that  
The time is feeling just right  
Candles burnin' turnin' out  
    The lights  
Anticipate the feelin' of  
    Your skin  
    Shall we begin  
Hit repeat and let the  
    Music play  
Until the night turns  
    Into day  
Open-up your heart and let  
    Me in  
Shall we beginOver time  
    We've gotten closer  
    Than close  
    You're the one  
I want to be with the most  
Neither one of us was in  
    A rush  
    Agreeing to wait  
Now I feel my patience  
    Running thin  
Anticipating when you tell

Me when  
The time is now  
Tell me you'll stay[Chorus]
