

# Moanin' and Groanin'

Bill Withers

(Hmm, hum, hum)

Ah, she keeps me moanin', groanin'  
Hey, because I feel so good, feel real good  
Why can't nobody love me like my baby does?

Young girl turned out to be two times  
Quite the woman that I thought she was  
Oh she keeps me moanin', groanin'  
Hey, because I feel is good. I feel real good

Oh, can't nobody do, no, no, no,  
What my baby's done  
Said, if she ain't the best in the world  
She's good as the goodest one

And she keeps me moanin', groanin'  
Hey, because I feel real good  
I feel real good, oh, oh, eh, hey  
Oh, ho, oh, ho, oh, ho, oh, ho
