To the Metal (Remastered)

Gamma Ray

Coming from the streets Fists up in the air Generating heat They come from everywhere HailFists are made of iron Bodies made of steel Dancing on the razor Metal is the deal HailWe came to feel the thunder The lightning and the heat We came to hail the metal gods Banging to the beat, singingHail, to the metal, hail Singing, "Hail heavy metal" HailThe power in the music Arising in us all We're never gonna lose it We're proud and standing tall Hail, I said, "Hail"If you just cannot feel it You'll never understand There's nothing's gonna beat it Metal rules the land HailWe come to feel the thunder The lightning and the heat We came to hail the metal gods Banging to the beat, singingHail to the metal, hail Singing, "Hail heavy metal" Hail, hailHail heavy metal, hail Hail heavy metal, hail Hail heavy metal, hail Hail to the metal Heavy metal, hailHail to the metal Heavy metal, all hail Hail to the metal Heavy metal all hailHail to the metal Heavy metal, all hail Hail to the metal

Songwriters

Heavy metal, all hail
