Past Mistake

Tricky

I realize, there's no compromise
Through lying eyes, my love for
Just wasn't there, even though I care
Did I hurt you bad, did I make you sadI know I paid, that's why I'm alone today
Just me myself, no mental health
My mistake overtakes
Your love's overgrown my loveMy love, my love, my love for you
My love, my love, my love for you
Now I wonder why, until we die
And then upon the praise
Hope Jesus come to kill the man / mourn (?)
I feel again, I love you then
Oceans of time, a cross divine
I found you, I will find you
That is not my time, my time to take
For me ...(?) my lover's soulMy love, my love, my love for you
My love, my love, my love for you
Til it burnt my soul
Burns my soul
Burns a holeMy love, my love, my love for you
My love, my love, my love for you
