

# Standing Room Only

## Barbara Mandrell

You must think my bed's a bus stop  
The way you come and go  
I ain't seen you with the lights on  
Two nights in a rowSo pack your rusty razor  
Don't bother with goodbye  
Your cup runneth over  
But mine is always dryStanding room only  
I can't stand no more  
Standing room only  
Outside my doorDon't help me set the table  
'Cause now there's one less place  
I won't lay mama's silver  
For a man who won't say graceIf home is where the heart is  
Then your home's on the street  
Me, I'll read a good book  
Turn out the lights and go to sleepStanding room only  
I can't stand no more, no more  
Standing room only  
Outside my doorStanding room only  
I can't stand no more, no more  
Standing room only  
Outside my door
