Lean On Me

Bill withers---lean on meSometimes, in our lives
We all have pain, we all have sorrow
But, if we are wise
We know that there's always tomorrowLean on me, when you're not strong
And I'll be your friend, I'll help you carry on
For, it won't be long
Til I'm gonna need somebody to lean onPlease swallow your pride
If I have things you need to borrow
For no one can fill
Those of your needs that you won't let showYou just call on me brother when you need a hand
We all need somebody to lean on
I just might have a problem that you'll understand
We all need somebody to lean onLean on me, when you're not strong
And I'll be your friend, I'll help you carry on
For, it won't be long
Til I'm gonna need somebody to lean onYou just call on me brother when you need a hand
We all need somebody to lean on
I just might have a problem that you'll understand
We all need somebody to lean onIf there is a load
You have to bear, that you can't carry
I'm right up the road
I'll share your load if you just call me
Call me if you need a friend
Call me ...
