## Various Artists

Bill withers---lean on meSometimes, in our lives  
We all have pain, we all have sorrow  
But, if we are wise

We know that there's always tomorrowLean on me, when you're not strong  
And I'll be your friend, I'll help you carry on  
For, it won't be long

Til I'm gonna need somebody to lean onPlease swallow your pride  
If I have things you need to borrow  
For no one can fill

Those of your needs that you won't let showYou just call on me brother when you need a hand  
We all need somebody to lean on  
We all need somebody to lean on

I just might have a problem that you'll understand  
We all need somebody to lean onLean on me, when you're not strong  
And I'll be your friend, I'll help you carry on  
For, it won't be long

Til I'm gonna need somebody to lean onYou just call on me brother when you need a hand  
We all need somebody to lean on  
I just might have a problem that you'll understand  
We all need somebody to lean onIf there is a load

You have to bear, that you can't carry  
I'm right up the road  
I'll share your load if you just call me  
Call me if you need a friend  
Call me ...
