These New Demons (Acoustic Storm)

Dommin

I used to look into the mirror
and see my own reflection
now all i see is what i fear
i am missing your perception
its growing deep inside of me
like an acute infection
to where the only remedy is constant self-deception
BE GONE!
Haunt me Nevermore!
I'm exorcising these new demons
for love, was it worth it all
when it all, now it all, it, it all means nothing.
how could I let you get inside
like something parasitic
all i wanted was a bride
I got a judge and critic
the voice still lingers
I deny the psychoanalytic
...
BE GONE!
Haunt me Nevermore!
I'm exorcising these new demons
for love, was it worth it all
when it all, now it all, it, it all means nothing.
This
is the end
...
defeat
once again!
...
Its breaking me down (4)
BE GONE!
Haunt me Nevermore!
I'm exorcising these new demons
for love, was it worth it all
when it all, now it all, it, it all means nothing.
