Driftin' Blues

Steve Miller Band

Well I'm driftin and driftin, just like a ship out on the sea
Oh, I've been driftin and driftin, just like a ship out on the sea
And oh, you know I ain't got nobody baby in this world to care for meIf my baby would only take me back again
If my my my my my baby would stop foolin around and take me back again
Well, you know I mess around out here baby
Yeah, let me tell ya, I don't even have no friendsI give you all my my money
Tell me what more can I do
Oh Lord, I give you all my money
Baby tell me, what more can I do
And I know you might be a good little girl sometimes
But, baby I'm standin here to tell you I know you'll never be true.And that is why I gotta say, Well, bye bye baby.
Yeah, bye bye baby, bye bye
Whoa, bye bye.my baby, oh yeah
Baby bye bye
Well I know it's too late to worry and it's too late to cry.
