Me, Myself & I

Nikki Yanofsky

In a lot of ways, nothing's changed
A different chapter with the same old story
I don't mean to play these games
Being alone has never felt so lonely
Who can I run to when you're not home?
Where can I hide from what I've become?
I hate being alone with my thoughts
Baby, please don't be gone for too long
See, outside of love you've got plenty of friends
But I've only got you so I pretend
That I'm all right
Yeah, it's all right
It's just me, myself and I
'Cause I owe you the best of times
Though I'm empty
The cup is filled with plenty
